

Newly Married Couples Ministry

St. Nektarios Greek Orthodox Church

Introducing a mentoring program designed to support newly married couples who have been married through the first *7 years of marriage*.

This ministry will offer a way to enhance the development of one's faith through a well balanced program that focuses on connecting couples to their church family and other newly married couples in order to broaden their understanding of one other. We hope to achieve this through social activities, education, the sharing of mentor couples' life experiences and practical discussions about the sacrament of marriage.

Join us for a meeting on **Sunday, September 25th**, from 5 - 7 pm, at X location. For further information, or to refer couples that are interested participating, please contact XXXXX XXXX at XXX-XXX-XXXX.

“And the two shall become one flesh, so that they are no longer two, but one flesh.” - Mark 10:8
